Horse Details

Draw your horse's markings on the diagrams above. Indicate the position of scars and whorls with an X.

Attach your horse's photo here.

Make sure to use a good quality photo taken from the side.

If possible make sure any unique identifying marks are visible.

Add additional photos on separate sheets.

Other documents to keep with your Horse Identification papers:

(Attach copies; keep originals in a safe place)

- Microchip certificate
- Sales contract and/or sales receipt
- Registration papers
- Photographs
- DNA results
- Sample of your horse's hair
